

DELHI WORLD PUBLIC SCHOOL

MEDCHAL HIGHWAY

DWPSMHY/Acad-PC/09/20-21

Dear Parents,

In times of uncertainty we are not sure when we will be able to resume regular classes and also depend on the directives of the government. As this is a new initiative by the School, the Management, the teachers are trying to ensure that the learning continues. We have new challenges to face, as all of us will also be doing it for the first time, so we request to be a part of this journey and support us in this endeavour of ours.

I am extremely appreciative of our students, parents, Co-ordinators, teachers, and admin for their positivity, flexibility and resilience during these trying times.

The school and all the teachers are working very hard to give that routine back to students through virtual learning by conducting online classes from June 1st. These coming few days will be onerous for our teachers as they are going to teach content by taking live online classes, preparing worksheets and assignments from home. Thus, soliciting your support, we would request you to make necessary arrangements at home

1. Please ensure proper internet connection and headset which is mandatory to avoid disturbance
2. Students are suggested to use either a laptop, a pc or a tablet
3. Parents are requested to refrain from providing mobile phones for the sessions
4. Parents are requested to monitor the students in between the sessions
5. Students should set a camera angle for the complete session and cannot move from their place without permission
6. If the video is off during the class, student will be blocked for the entire session
7. Student should attend the online session in white uniform and neatly combed hair
8. Rename your device with your full name, no emojis and fancy fonts are allowed
9. Students cannot use virtual backgrounds during the session as we can't see the student clearly
10. Students should have a water bottle and all the books related to class for all the sessions with them
11. Snacks and any kind of drinks other than water are allowed only during the break time
12. Breakfast and lunch should be done before the respective session starts
13. Parents are requested to check respective Whatsapp groups for daily homework, exam schedules and monitor your ward during the exam
14. Fancy hair styles, earrings and any other accessories are strictly not allowed
