**Let's Make Awesome Things Happen**

**Grade 3**

**Dear Parent,**

Competition pushes one to achieve more. We at Delhi World Public School, Medchal Highway believe in using competition as a tool to help our students gain resilience from a loss, to win with grace, to take risks and to develop a spirit of sportsmanship. To achieve the same with a holistic approach, we will be hosting the following events.

1. Math-a-run on 4 July, 2020
2. Announcement of winners on 18 July, 2020

Please make a note that the event will be conducted as a part of the Math-a-run celebration. The Judgment will be based on parent's voting.

<b>SOLVIMANIA-2020</b>		
<b>GRADE</b>	<b>ACTIVITY</b>	<b>DATE</b>
